It has taken us about 5 months, but we've finally got around to counting up the votes of our Girl of the Year poll for 2012. You can see the results on page 42. Of course, we're not doing our jobs properly if we're not already making you think about the girls of 2013, and so this issue has some familiar faces, a couple of firm favourites and a smattering of brand new babes to throw into the mixture. God bless the world, it keeps inventing new girls who take their clothes off...

LETTERS TO THE LOUNGE

Send your letters to: The Editor, Club International, The Lounge Suite, 23 Lyon Road, Hersham, KT12 3PU or email clubint@paulraymond.com. Best letter published every month gets £50

Dear Club,
I thought I'd write in as you don't seem to get any letters from biker chicks. Being a full-blown, leather-clad cycle slut, I thought I'd redress that sorry state of affairs.

I'm a despatch rider in London, and when not riding my bike I'm riding the biggest, fattest dicks I can get. Some of the bikers I work with are pretty hunky, so I've got a good 'pool' to choose from. And if me and my chosen partner both knock off work at the same time, screwing's a great way to unwind – the smell of oil, leather and fresh sweat always gets my pussy juicing nicely.

My current semi-regular fuck is called Animal, a big hairy geezer who can screw me for an hour, drink half a bottle of vodka, then fuck me all over again. Okay, he's not the kind of bloke you'd take to meet your folks, but with a cock like he's got, who cares? Especially when I'm bent over his bike and he's banging it up my arse, or it's filling up my gob as I suck his spunk down my throat.

I may be a biker chick, but I'm not one of those lardy-arsed girls you see hanging onto their man for dear life. No, I've got great tits, long blonde hair, a big fuck-off bike and look awesome in a leather mini, so getting laid has never been a problem. As soon as I've let the blokes know I like it hard, I've got them eating out of my hand – and my snatch, come to think of it!

Sometimes, me and Animal will shag in the garage after we've done some work on our cycles. We'll have a few cans, still in our grease-smeared work clothes, and I'll start teasing him. First I might flash my tits and rub oil all over my nipples, then I'll climb onto him for a snog while rubbing his monster prick through his trousers. When he's well and truly wound up, Animal will push me down onto the dirty concrete floor, yank down my jeans and ram his tongue or a couple of fingers up my cunt. Then he'll turn me over and feed that fat hose up my arse until I'm yelling the place down and cumming like a souped-up Harley!

I've even tried shagging while riding my bike with Animal on the back, but he couldn't get his dick in and we almost hit a tree! Luckily for me, I got my rocks off on the vibrations from the engine!
Kat, Acton.

Dear Club,
I know some girls don't like the taste of spunk, so I thought your male readers might be interested in knowing how much some of us girls, at least, like to drink down lots of gooey, white sticky stuff.

I'd happily drink a pint of cum if I could get my hands on it – in fact, I probably have over the years. Every guy's seed has a different taste and consistency, and my girlfriends and I have great fun comparing notes on the

MAMA MIA!

Dear Club,
I have seen many beautiful girls gracing the pages of your magazine but I have to admit the beauty and suppleness of Mia (*Club 42.4*) really took my breath away. That tight red rubber dress and her bending her leg over her head revealing her pussy really got my dick hard!
Owen, Caerphilly

We're with you on that Owen. It's almost too much, isn't it? After all, if you were lucky enough to get a girl as hot as Mia into bed, you've already won the lottery. But when she pulls out her tricks and starts tucking her legs behind her head – well, that's back-to-back EuroMillions rollovers!

THE KNIGHT STUFF!

Dear Club,
Your latest issue, 42/4, is exactly why I've been buying *Club* for 20 years. A couple of my favourite girls – Sophia chiefly, looking stunning – a few I've not seen before and not a single one I didn't want to spend a bit of time with. I've got one complaint though, you end the Sophia set with a teasing picture of her rubbing a vibrator over her tempting pussy. It's a great photo, but as you can't show us the aftermath, maybe it's best not to rub it in our faces! Other than that, I'm not complaining though!
Don, Norfolk

Fair point, Don. We don't often use dildos in photos due to the laws that govern what we can and can't show you. But sometimes the picture demands it, and we thought we'd leave you with that one at the end so that your imaginations can run away with what happened next. Some images we don't need to show you…

various men we've been with.

I never let a guy shoot straight down my throat, as it seems such a waste. I prefer him to squirt his load into my wide-open gob from a few inches away, so I can swirl all that lovely spuzz around with my tongue. I let big dollops of it ooze over my lips and drip onto my tits in front of him, then I'll scoop it up with my fingers and smear it all around my mouth, or suck it down while the fella looks on.

My favourite experience was when a friend and I sucked off our boyfriends and then snogged each other with our mouths still overflowing with their hot cream. We dribbled it from mouth to mouth (it goes all sort of stringy when it's mixed with saliva), making a right old mess until spunk was all over our faces and tits, and stuck in our hair, but the lads certainly enjoyed the spectacle.

So boys, if your girl won't swallow, just find one who does. There are more of us than you'd think!
Paula, Falkirk.

Club's ROUGH GUIDE

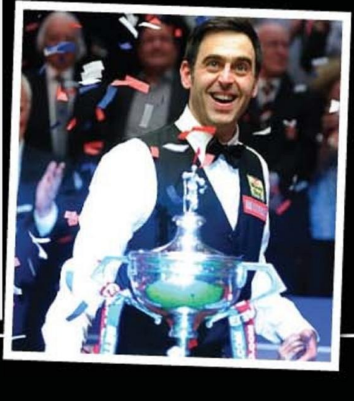
With Britain in the grip of the longest winter in history, Matt Loxham thought he'd better play it safe with the sports this month. Indoors or abroad, anything else might well be under six inches of snow...

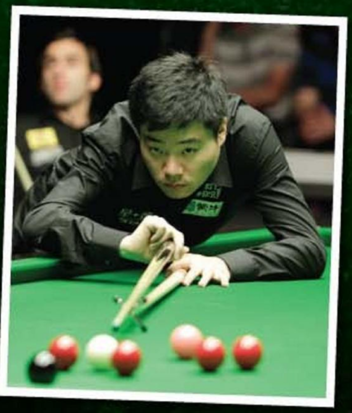
Snooker World Championships

The Crucible, Sheffield
20th April to 6th May

Snooker has had its fair share of image problems since the glory days of Ray Reardon, Steve Davis, John Higgins, Stephen Hendry, Jimmy White and, ahem, Peter Ebdon. During the late nineties and early noughties viewing figures sagged as audiences became bored with the new crop of whey-faced dullards who seemed to have left their personalities in a dimly-lit corner of some dingy snooker club. The sport has lost its character, the baize buffs said, conveniently forgetting the bores of yesteryear such as Cliff Thorburn, Eddie Charlton and Rex Williams, but they did have a point – snooker had become bland. One of the few sources of entertainment, however, was Ronnie 'The Rocket' O'Sullivan, a supremely talented and unpredictable young cuesman who could knock in a 147 in five minutes, and who did funny things like piss in plant pots before matches. O'Sullivan's genius on the table and unruly antics off it sparked renewed interest in the game. The TV audiences started to return. Some of the boring players started to make an effort by putting gel in their hair and smiling every now and again. Old stagers Davis, Higgins and Hendry enjoyed a renaissance. It was hardly the dawning of a new Pot Black era, but snooker was out of the doldrums.

Despite a few match-fixing scandals and the fact that O'Sullivan has turned his back on the game at least twenty-four times, momentum has continued to grow thanks to the emergence of talented young players such as Mark Selby, Judd Trump and Neil Robertson. The World Championship has once again become an event worth looking forward to, with around six million people tuning in to watch last year's final. It's a far cry from the reported 18.5 million who stayed up past midnight to see Dennis Taylor beat Steve Davis in the famous black ball match of 1985, but give it time.





The 2013 tournament has already caused a few ripples of excitement. An increasingly eccentric O'Sullivan is set to return from yet another sabbatical – if you believe the tabloids he's been working on a farm in Epping Forest and practicing with the delivery driver from his local Chinese takeaway – far from ideal preparation for the biggest event in the snooker calendar, you might think, but Ronnie has never been a conventional cuesman.

If O'Sullivan is to defend the title he won last year he'll have to be at his brilliant best against the aforementioned Trump, current number one in the world rankings and one of the best break-builders in the game, and Mark Selby, who beat Neil Robertson in the final of this year's Masters. China's Ding Junhui, a player with a fairly dismal record at The Crucible, including an embarrassing 10-2 second round humbling by O'Sullivan back in 2008, has hit some recent form and is due a good run in Sheffield. From the older, more experienced potters look no further than four-time world champion John Higgins. In a recent tournament he dismantled Ding 5-0 and is capable of anything on his day. The scene is set for a thrilling couple of weeks of snooker – little wonder the popularity of the sport is soaring.

The US Masters Golf

Augusta, Georgia
August 11th to 14th

A bit like snooker, golf is a game that needs personalities to make it interesting to the layman – a bit of character to

entertain during the more tepid moments. With his seriously competitive nature and bouts of sour-faced petulance, Tiger Woods never really looked likely to be that personality, but now, after (allegedly) working his way through a stream of whores, crashing his car into a tree and enduring a slump in form that saw a tired-looking, unshaven and possibly even shamefaced Woods thrashing about on the fairways like an amateur, he's become something of a 'man champion', a fallen hero who has bravely fought his way back from the brink.

Where once upon a time a lot of people actively wanted Tiger to do very badly in tournaments, now they cheer for him to win – and winning is exactly what he's started doing again. Indeed, Woods is currently battling it out for number one spot in the World Rankings with Rory McIlroy, someone who has taken to sneaking into people's houses to try and sell them Santander bank accounts. McIlroy controversially missed the recent Arnold Palmer Invitational – upsetting legend Palmer in the process – in order to focus on practising for this very tournament, suggesting that the Northern-Irishman is taking the first major of 2013 very seriously.

Perhaps understandably, much of the build-up has focused on the exciting prospect of a Woods versus McIlroy tussle at the top of the leaderboard, but the reality is that one of around fifty players might easily be donning the famous green jacket come close of play. A resurgent Phil Mickelson leads the chasing pack, along with a man in ominously good nick at the moment, 2011 champion Charl Schwartzel. Alongside McIlroy, Britain boasts more potential winners in Lee Westwood, Luke Donald, Ian Poulter and a very much in-form Justin Rose. Tiger might be back, but he isn't the only big game player in town.

Giro d'Italia

Naples to Brescia
May 4th to 26th

The British public have been fairly ambivalent towards road cycling over the years, but these days the sport is a big deal in Blighty, and it's all down to the success of one Sir Bradley Wiggins. Wiggo's unprecedented victory at the 2012 Tour De France and subsequent heroics at the Olympics earned a knighthood for him and legendary status for his sideburns, but with that sensational summer a distant memory and a long season of cycling ahead, what next for a man who has already pedalled his way into the history books?

A defence of his Tour De France title looks unlikely, with fellow Brit Chris Froome favourite to head up Team Sky across the channel this year. While Wiggins will be required to put in plenty of donkey work for Froome's tilt at Le Tour, his chance for personal glory should come at the Giro d'Italia, a 3400 kilometre slog from Naples to Brescia.

Indeed, from the increased number of time-trials in 2013 to the Paul Smith designed leader's 'Maglia Rosa' jersey, the race looks tailor-made for the speedy and famously style-conscious Wiggins, but this won't be an easy ride. No Brit has ever won the Giro in its some 100 year history. There's also the small matter of last year's winner, the somewhat appropriately-named Canadian 'Ryder' Hesjedal, and home favourite Vincenzo Nibali to contend with. In a race traditionally dominated by Italian cyclists, the latter might well be the one to beat, but it will take something very special to outpace Wiggo on the time-trials and prise his hands off the Paul Smith. ♣

The latter is in two scenes, a lez-off with Ava Dalush followed by a spit and cum-soaked finale where she takes on 4 dicks. We've had our fingers burned with the relentless tide of *Private Best-Ofs* recently – after all, there's only so much you can do with 15 year old scenes shot in low definition when you're watching in the DVD and Blu-ray age. Happily, this is a compilation of more recent vintage, and even contains girls who are still active on the old dick express. Chief among these is the hugely cute, all-natural Madison Parker, who just seems too nice for this sort of thing, but happily isn't. That and an Aleska Diamond double-dick threeway are just about worth the price of admission.

The *Tomb Raider* franchise had become a bit of a joke in the gaming world. From its iconic early outing on the Playstation, it's been downhill ever since, culminating in a particularly tatty movie and a series of reboots and updates that didn't know what to do with Lara Croft. She'd gone from spunky heroine to spunky heroine with big tits and tight clothes. Well, this is the reboot that works. It functions as an origin story for Lara Croft, telling not only how she became what she is, but putting you in the position of learning the skills that you take for granted in the games you've already played, if that makes a lick of sense.

It grabs from the opening, an intense introduction that throws you straight into jeopardy, and it makes it clear that this game is prepared to make Lara suffer. She's always limping, bleeding or about to get crushed to death by rocks. You'll die, there's no two ways about it. But as you master the controls and add skills to her repertoire, you'll die less often. *Tomb Raider* has learned plenty of lessons from the *Uncharted* series, and what's fresh here is the interaction with the environment – even grabbing onto a ledge is made thrilling rather than a rote button press. Over 15 years after her debut, Lara Croft is an important videogame character again. Well done. ★★★★

It's 1883, and scientist/explorer Langdon St. Ives is relaxing at home in Aylesford when, mere miles away, a steam launch is taken by pirates, a grave robbed, a skull taken. The culprit? Quite possibly Dr Ignacio Narbondo, St. Ives' nemesis. Preposterous? Somewhat, but Blaylock is a mighty fine writer, depicting his skewed Victorian era vividly and furnishing the reader with memorable characters. There are plenty of St. Ives books before this one, but if you're unfamiliar with Steampunk fiction, *The Aylesford Skull* is the perfect place to start.

Its hero is disaffected Detective John Tallow, who stumbles across an apartment full of hundreds of guns, all linked to unsolved murders. Suddenly, he's interested again. Ellis does a great job of linking a twisting, original plot with twisting, original writing, leaving you numb one minute, breathless the next. Someone just shook up the genre.

Those who can have to seek refuge from the increasingly violent and mad deprived in a Vancouver rendered unrecognisable simply through the loss of something we (insomniacs aside) take for granted. Barnes hasn't just got an idea, however, he's also got writing chops, and this veers more towards literary than genre fiction. It bears comparision with Jose Saramago's *Blindness*. And that's praise indeed. ♣

Sony X9000A

www.sony.co.uk

In 2013, no-one is really concentrating on making televisions you can keep in a discrete cabinet when you're not watching it, and you'd best speak to a carpenter if you want to hide the X9000A, which comes in 55 or 65" options. Of course, you can get bigger, but just how big is your house? Sony TV's are usually slick but overpriced, and this is no exception, but with 4K OLED – which packs 4 times the resolution of 1080p HD, this is essential if you're at all interested in telly one-upmanship. The downside is that, even with the very good upscaling chip in these models, there isn't a lot of 4K material out there yet.

Pros: Amazing picture, good sound from side speakers.

Cons: Virtually no 4K stuff to watch.

Nikon 1 J3

www.nikon.com

While the beige colour scheme on this camera screams 'ironic hipster douchebag', look past that and what you have here is a pretty sweet camera, ironing out a few of the kinks of similar recent models. It might look like it's trying to appeal to the Lomo crowd, but the J3 is packed full of innovations, and is definitely at the professional end of compact cameras in terms of performance. They've sorted out some issues with the dial and the menu system, although there are still some glitches when it comes to playback. But with a leap forward in megapixels from the J2, this is a cracking camera. Even in beige.

Pros: Takes great pictures, good.

Cons: On the expensive side.

As anyone who has an iPad knows, they can do a hell of a lot of stuff, but they can't do everything. And some of the stuff they can do, they shouldn't really bother – we mean you people who film gigs with them held up blocking everyone else's view. But with the Mackie plugged in (albeit with an adaptor due to Apple's infuriating and cynical decision to change their connections), an iPad can be welcome at a gig, functioning as a full-featured digital mixer. There are stacks of presets and plug-ins, and it can support 10 iPads simultaneously, if your band had too much disposable income.

Pros: Wireless functionality with wi-fi router.

Cons: Not cheap and you'll need a connection adaptor. ♣

Anneli

The top placed international girl, the fresh-faced Anneli broke hearts (and probably a few dicks) due to her winning, innocent smile, refreshingly open attitude to sex and, perhaps, being the epitome of what we thought Swedish girls were like before we started watching *Wallander* and *The Killing*. Trust us, she'll be back...

It was a close run thing, but after a strong showing last year, Dani Maye has won the vote for *Club* Girl of the Year, 2012.

"OMG! I'm delighted," the homegrown hottie declares. "I feel like I've been in *Club* quite a lot this year, which must have helped, but your photographers always make me look great and it's nice to be surrounded by lots of really hot and sexy chicks. Speaking of which, any chance you could do a shoot with me and Sasha? She beat me to this last year and we should definitely fuck!"

FIRST FILLY FUCK!

I recently had my first lesbian experience with my next-door neighbour and I can't believe what I've been missing all these years. Her husband works away a lot and I always go round to keep her company. The other week, she was joking about being on her own, and quite brazenly joked, "You know, I just couldn't live without my vibrator." I was a little shocked and embarrassed at first, and then had to confess that I'd never used one. She was so surprised that she insisted on getting hers to show me. Taking it in my hands, she told me how to turn it on, and as it buzzed quietly between my fingertips I caught her staring intently at me. "Try it against you," she said softly. Smiling nervously, I ran it over my breasts and my nipples hardened immediately. I could see that her expression had changed and her eyes had a wild look about them.

"Try it between your legs," she then offered. Holding it against the crotch of my jeans, I could feel my pussy tingle with excitement. Suddenly, she was sitting next to me and, taking the vibrator from my hand, asked, "Do you want me to show you?" Passing it to her, she began to undo my button flies, and my excitement rose. Exposing my panties and shifting my jeans down, she slid the smooth shaft under the elastic until I felt it connect with my clit. The sensation was unlike anything I had felt before, and my breath began to shorten. She began to kiss my neck, pressing the vibrator into my mound.

She worked my jeans down over my knees until they were off. Opening my legs, she could then run the vibrator along my inner thighs and back to my pussy, teasing me as I watched. With one hand she gently parted my folds and dragged the shaft along my slit. As she slid it into me, she took the back of my head and French-kissed me, her tongue exploring my mouth. As she fucked me gently with the vibrator, goose bumps ran the whole length of my body.

Turning the vibrator off, she was now using it to fuck my hole harder, and was lifting my top to get at my tits. She put her tongue against my nipple and bit down softly with her top row of teeth, sending me crazy! It was obvious that she'd done this before and was now moving down my body with her mouth, kissing my quivering tummy. Arriving at my cunt, her tongue began to flick my clit, and the vibrator was replaced with her fingers. My body was shaking as she worked away between my legs. I held the back of her head and ground my fanny against her face as she drenched it with her saliva.

"Taste my pussy!" she commanded, and stripped in seconds before straddling my face as I lay on the floor. Burying her face back where it had been, we kissed, licked and sucked at each other's clits, driving frantic fingers into each other's sodden entrance. I'd taken enough and pressed my thighs against her cheeks, climaxing heavily into her open mouth. As she brought me to an immense orgasm, my screams of pleasure were muffled from my own face being pressed into her pussy.

She reached round and passed me the vibrator, which I immediately slid into her. "Put it in my arse," she commanded and I duly obliged. Nudging it gently in at first, her sphincter relaxed, and as her anus widened I pushed it in and out quicker. All the time I was licking her clit, my own body warm from my own cum. Soon she was ready herself, and with a loud, "Oh fuck, yes!" I could taste her orgasm on my lips and tongue. She cradled my body, as wave after wave of ecstasy ran through her.

When she'd finished, she stroked and kissed my body until I was so relaxed, that I drifted off to sleep – dreaming of the next woman I was going to have.

WILD IN THE WAREHOUSE

I've worked as a secretary for a few years now, but getting a job working in the accounts office of a clothing warehouse with loads of men was totally different. Our office is in full view of the warehouse, as everyone is picking orders, and the guys are constantly trying to catch my eye. The floor manager in particular has always been finding excuses to come and ask me for information, but as he's a pretty good-looking guy, I began to look forward to it. After more than a few suggestive comments, he eventually asked me out for a drink when the warehouse closed on Friday lunchtime. He knew I had a boyfriend, and he did nothing to disguise his wedding ring, so I wasn't really sure what was going to happen.

We ended up drinking in the pub closest to the warehouse where most

> “I held her head and ground my fanny against her face as she drenched it with her saliva”

of the other guys were as well, and we got more than our share of comments whilst we sat and flirted in the corner. Feeling a little tipsy, I knew I’d better make my way home and he offered to walk me to my bus. “Sorry to be a pain,” he said as we left the pub, “but do you mind if I just nip back and get something from work on the way?” Following him as he opened up the huge alarmed doors to the main warehouse floor, we stepped into the huge deserted area.

Closing the door behind us, he turned and asked, “You don’t need to go home quite yet, do you?” I shook my head, and we were all over each other in seconds. As we yanked each other’s clothes off, we staggered around until eventually my bum rested on the cold metal of one of the aisles and I threw my body back against the pile of plastic wrapped coats. He got to his knees in front of me and hoisted my bare thighs over his shoulders and buried his face in my muff, not even bothering to take my panties off, just yanking them to one side.

His tongue explored inside my cunt and my arse cheeks were clenching, pushing my mound into his face. He knew what he was doing, and I held onto the metal scaffolding of the aisle as his tongue worked rhythmically against my clit. Holding me behind my knees, he then pushed my legs back against me, allowing his mouth access to both my holes. I just love the feel of my arse being licked and I was moaning in ecstasy pleading with him to “Fuck me!”

After getting me dripping wet with his tongue, he got to his feet and positioned his dick at my gaping entrance. Dipping it in slowly at first, he ran his length deep into me, and then pulled out at the same speed. I was aching for him to pound my cunt, but his teasing was producing uncontrollable spasms in my body, which he seemed to like. As he then worked up a rhythm, I played with my own clit as he drove deep into me, and pulled my pussy apart so we could both see it slide in and out.

My legs were wrapped around his back, and pushing them apart again, he began edging his middle finger into my arse, underneath his swinging balls. Holding tight to my right ankle with his left hand, he continued to fuck me, whilst his finger went knuckle deep into my anus. Having both holes filled was incredible and I was screaming loudly, hearing it echo around the cavernous warehouse.

My bum and lower back were sweating hard and sticking to the plastic as he worked me to orgasm. My eyes glazed over and warmth ran through me, as my juices gushed over his dick. I knew I wanted to feel his cum inside me, so I clamped my thighs around him again, forcing his spunk from his cock. As his load shot into me, he buried his face into my chest, chewing my nipples and prolonging my orgasm.

When we'd finally finished, we giggled like naughty schoolchildren as we collected our clothes that were strewn everywhere. "Are you still going to walk me home?" I coyly asked. "Of course," he replied, "but I really must get something first." "What is it this time?" I playfully inquired. He grinned and answered "Well, I think I'd better get the security video tape, don't you?

STRIPPO-CRAMMED!

When I got my job as a strippogram, I imagined I'd only be doing it temporarily. However, that was over eight months ago and I'm still trotting out to 40th birthdays every other night! Despite this, I've got used to it, and quite enjoy making some ageing guy's day as they always treat me with respect. When I was sent out to a young guy's stag night for the first time, however, I felt nervous like it was the first day again. Young guys can be more excitable and, as they had hired a limo, I wasn't sure quite what to expect.

However, by the time they came to pick me up from the agreed point they had managed to lose about eight of their party, including the groom, and stepping into the back of the stretch I was greeted by two sheepish looking boys. My adrenaline had been pumping with the anticipation, and as they explained what had happened, I felt myself relax with relief.

They can't have been any older than about twenty, and they were incredibly apologetic for 'wasting my time' and they looked far more nervous than I ever could have been. They were also smartly dressed and were pretty handsome, the type who obviously had girlfriends waiting for them to return! Nonetheless, the quieter one of the two was staring at my suspenders that were revealed under the short fake fur I was wearing, and I could see the excitement in his eyes.

Catching him looking, I said coyly, "See what your friend's missing?" Embarrassed at being caught, he nodded nervously and looked at his friend. "I'm paid for," I continued, enjoying the feeling of control, "I might as well show you the rest". Their silence was their reply, and I lay back on the leather seat facing them and slowly parted my coat to reveal my corset and suspender belt. It was obvious that they had never had anything like this before and they stared open-mouthed as I ran my palms over my tits, down my stomach and between my legs. Straddling the more youthful looking one, I brushed against his crotch, and could feel his dick straining in his trousers. It instantly turned me on, and for the first time, I actually fancied the guys I was stripping for.

I took his hand, and placed it against my chest, fixing my eyes on his, willing him to touch my breasts. He pawed at them through the silk, and I threw my head back erotically as encouragement, all the while feeling myself getting wet. Looking to the right, I commanded to his friend, "Get me out of this," and gestured down with my head. Within seconds, he was behind me unlacing my corset, as his friend was rubbing my tits energetically.

I don't know what came over me, but I was determined to enjoy myself, and I leant forward and kissed the guy facing me full on the lips. I felt the corset loosen and slip from my tits, allowing a pair of hands to cup them from behind. He was toying with my nipples, and as they hardened, I stopped snogging his friend, and forced his mouth down around them. Cradling his head in my chest, I felt the

> **“Gripping my arse, he hammered his length into me as I thrust back wildly, finding the perfect rhythm in unison”**

hands from behind me slip down and between my legs. Pushing a finger inside my panties, his hand curved over my mound as he found my clit and began to circle two fingers rhythmically. He was more experienced than I had thought and began to open my pussy as he kept his thumb working my button. I was so wet, his two fingers slipped inside me with no effort, which just made me crave some cock. Knowing they couldn't believe their luck, I shocked them further by saying, “I'm ready to be fucked now!” After a moment's hesitation, I felt a gentle push on my side, causing me to drop back onto the upholstery.

The guy whose fingers were wet with my juices had freed his dick in seconds, and was steering it towards my dripping hole that I had exposed by pulling my knickers aside. I pulled him into me, and clamped his waist with my thighs as his prick filled me up. Gripping my arse, he hammered his length into me as I thrust back wildly, finding the perfect rhythm in unison. His friend had his dick inches away from my face, but I didn't take it in my mouth, as I knew I wanted the best from both these cocks. Instead, I wanked it hard in time to his friend pumping my twat. I saw the shoulders of the guy inside me tighten, and I pulled him out of me as he threw his load over my stomach.

“Next,” I brazenly commanded, and as his spent friend lay back panting, the younger-looking one pushed the head of his penis tentatively inside me. I almost leapt towards him, still covered in sticky spunk, in order to get him deep inside me, and I didn't need long to get what I wanted.

I pushed my fingers hard into my own clit as the warmth crept over my body, my orgasm taking hold. As my juices gushed over his shaft, I could see his friend motioning to his mate to cover me in spunk as well, and I pushed my tits together to show him where to spray. Laying there, glistening with cum, and totally satisfied, I just gave them a steely stare, as if to say, “This goes no further, okay boys!” followed by a little smile. What do you think, do you reckon they didn't tell their friends? One thing's for sure, they showed me a different kind of respect to the older guys!

THE GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Boardwalk Empire

With some actresses, you have to look hard on their CV's to find the solo bit of side-boob flashing, or fleeting bum glimpse. This is not the case with Paz De La Huerta. The New York actress, designer and singer gives you the opposite problem – finding the movie or TV show she's in with some actual frickin' clothes on. Not that we're complaining. She didn't come onto our radar until she essayed the role of Lucy Danziger in HBO's excellent *Boardwalk Empire*, jumping in and out of Steve Buscemi's bed and flashing her excellent period muff. But that just sent us back into her filmography, where she shares her fantastic body in *The Guitar*, *Welcome to the Void* and pretty much constantly as the character 'Nude' in *The Limits of Control*. Yup, we're glad she's such a Paz dispenser... ♣

PARTY POUNDING!

I was so naughty the other weekend, I just had to share it with your readers. I went to a party with my friend Carol, and ended up just crashing out in one of the bedrooms drunk with a load of people I barely knew. My boyfriend, James, was away on business, so I'd decided to really go for it, as I'd nobody to go home to that night.

When I woke up, the room was pitch dark, but I could sense there was someone really close to me. I couldn't quite make out who it was, but I figured it must have been one of the guys Carol and me had been flirting with all night. I always feel horny when I wake up from being drunk, and would normally snuggle up to James knowing that he's always ready to give me what I need. Still a bit drunk, I instinctively did this with the guy alongside me.

I felt him stir, and I held my breath for his reaction. He lazily stretched his arm back around me until he found my arse, and pulled me in closer. He then took my hand from his chest, and placed it down at his crotch. I couldn't see anything, but could feel his dick growing in his trousers. Fumbling to find the zip took ages, and my heart was beating fast with the excitement. Neither of us spoke, and I suddenly had a bulging hard-on in my hand.

There were other people in the room, so I slowly began taking long strokes of his prick with my fingertips, keeping as quiet as possible. I could hear his breathing, so I whispered "Shhh," into his ear, as I gripped his dick tightly and tossed it off. He began to turn around, but I didn't want to see his face, as the thrill of me wanking a stranger's dick was making me wet. Instead, I turned away from him, allowing his hands to get at my breasts from behind. He pulled and tweaked at my nipples, making them rigid through my T-shirt, before running his hand underneath to squeeze my tits. His other hand was making its way between my legs, and was soon inside my knickers moving down over my mound.

In the dark, all my other senses were heightened, and the touch of his fingers as he parted my lips made my lower body spasm. He expertly thumbed at my clit, making my chest heave up and down in pleasure. Leaving my breast with his other hand, he began to steer his dick towards the entrance to my cunt. With his swollen tip just about to replace his finger, I suddenly felt even more naughty.

I held his hand inside my pussy, lifted up my skirt and pulled my arse cheeks wide open, as if directing him where to go. I love anal, and the thought of someone anonymous fucking my bum was too good an opportunity to miss. With the head of his cock nudging at my hole, I replaced his finger in my pussy with mine, so he could use both hands to spread my backside. I bit down hard on my lip as he worked his way inside, my sphincter relaxing. Having his cock deep inside my anus was sensational, as I fingered my own button, knowing that I was about to climax. However, he beat me to it, and whispered in my ear, "I'm cumming," before filling my arse with his load. As he pulsed inside me, I worked my pussy to a heavy orgasm, my bum-hole leaking his cum.

Without cleaning ourselves up, we both dropped back off to sleep. Waking up the second time it was still dark, but I felt a little hung-over and very guilty. Not even looking in his direction, I got up and left. I still have no real idea who fucked my ass that night!

Alison, Truro

> "With one backward surge of her hips I was driving my way up her tight chute"

MAID LAID!

I've been seeing Claudia behind my wife's back for over six months, and as we're having an illicit affair, she lets me do all the things my wife won't. We always meet in hotel rooms, and as I generally pay she tries to make it special for me by dressing up in uniform, or sometimes performing a strip tease. One thing my wife has never let me do is anal, so when I picked her up this was all that was on my mind. She went to the bedroom as soon as we got there, and came out minutes later wearing a maid's uniform. Corny, I know, but I, like most blokes, love all that stuff! When she bent over to reveal her suspenders, I took my dick from my trousers and began wanking, focusing on her peachy arse.

She walked past me, running her manicured hand up my shaft as she went, and crept on to the bed next to me. She began to roll around, baring her lovely pussy and stroking herself all over. Getting on all fours, she ran a hand over her bum, before curling her finger into her cunt while I watched. I wanted to fuck that arse so badly that I reached for the cheeks and pushed them apart, revealing her tight, puckered hole.

Craning her neck around, she fixed her gaze on me and asked, "Is that where you want to go today?" I just nodded like an obedient puppy, and she removed her fingers from her pussy, took them in her mouth and then ran the saliva in the crack of her arse. I followed suit and, poking my middle finger into her pliant hole, began to work it inside her. I could feel her sphincter relax, and her whole body seemed to give way underneath me.

I positioned my dick where my finger had been, and pulled her up on to her knees slightly. With one backward surge of her hips I was driving my way up her tight chute. She made it clear that she was enjoying it, and I couldn't believe that this beautiful girl was letting me ride her bumhole. As I got further in, her cheeks clenched and then relaxed with her letting out a whimper each time. It was obvious that she was getting more and more turned on, and began slamming back against my balls.

With her face in one hand on the bed, she began working her clit with the other, telling me that she was going to cum. As the orgasm took hold of her cunt, it caused her muscles to spasm even tighter around my shaft, making my dick pulse deep inside her. "Cum over my arse," she pleaded, but the first strong jets of spunk were already firing into her bum. Pulling out, the rest of my load splattered against her buttocks, as she screamed her delight. Her hole began closing slowly, as the final drips of spunk dropped onto her. She then reached around, rubbing it into her crack with a grin, before saying, "I think we might have to do that again."

I know it's bad to cheat on my wife, but as you can imagine I'm finding it impossible to give up. Especially when she told me that I'll need to bring a dildo next time, to fill whichever hole is free!

Brian, Chichester

SUBSTITUTE BREACHER!

I know your readers will find this impossible to believe, but my boyfriend won't fuck me

> “I felt him slip from my fanny and his bell-end was nudging at the little rose of my arsehole”

where I want him to – up the bum! I know it’s normally the girls who are a bit hesitant about anal, but I was desperate to try it and Craig just wouldn’t oblige. Whilst I didn’t want to cheat on him, I felt that I had no choice – I mean, a girl’s got to be satisfied, right?

There’s a guy at work, Martin, who has always made it clear that he fancies me, (and everyone else for that matter!) so it wasn’t difficult to chat him up when we went for some post-work drinks the other Friday. We were soon back at his flat, where he was trying to make small talk and play the perfect host so as not to frighten me off. Little did he know that I had my own agenda, and wasn’t going anywhere until I’d got what I wanted.

As he made coffee, I came behind him and cradled him round the hips, before pushing my hands flat against his stomach and down past the waistband of his trousers. As my hands foraged further, his dick rose up to meet them and, gripping it in both hands, I leant into his ear and whispered, “This is going inside me.” He couldn’t believe his luck, and he whirled around, clawing my cardigan open and lifting my top to get at my tits. As he sucked at my tits, his hips thumped against mine, as if he was already inside me, and he told me how fucking gorgeous I was. He was soon on his knees, lapping at my pussy as I stood legs apart, my skirt wrapped around my right ankle. I was getting wet...

“Fuck me,” I commanded, getting on all fours on the kitchen lino and arching my back to show him my round bum. You could tell that he had been dreaming about this moment, as he spent a few seconds smoothing his hands over my cheeks, repeating “You’re amazing.” When I finally felt his cock pop into my pussy, I instinctively grabbed at my own backside and spread it apart. He tentatively began to stroke my exposed hole, half expecting me to tell him to stop. “Yeah, that’s right, I want it in there,” I purred seductively.

He didn’t need asking twice, and I instantly felt him slip from my fanny and his bell-end was nudging at the little rose of my arsehole. He gradually eased his cock into my taut ring, and I whimpered with pleasure and anticipation. I pulled my arse further apart and let him embed his shaft all the way inside me. He began pumping inside me excitedly as my eyes glazed over, savouring the sensation for the first time. My sphincter had now totally relaxed and I felt like a total slut as he thrust deeper each time. I had to get at my own pussy while he did this, and I flashed my fingers side to side against my clit, and between my fanny lips.

My arse tightened around him as a huge orgasm began. The whole of my lower body felt warm whilst I climaxed, my arse still full with his dick. Pulling his cock swiftly from my quivering buttocks, he splashed his sticky spunk into the crack of my arse and covered my throbbing hole. I filthily rubbed his jizz into my crack to show my gratitude. A perfect situation for all concerned, I’m sure you’ll agree? However, I’m not so sure Craig would!

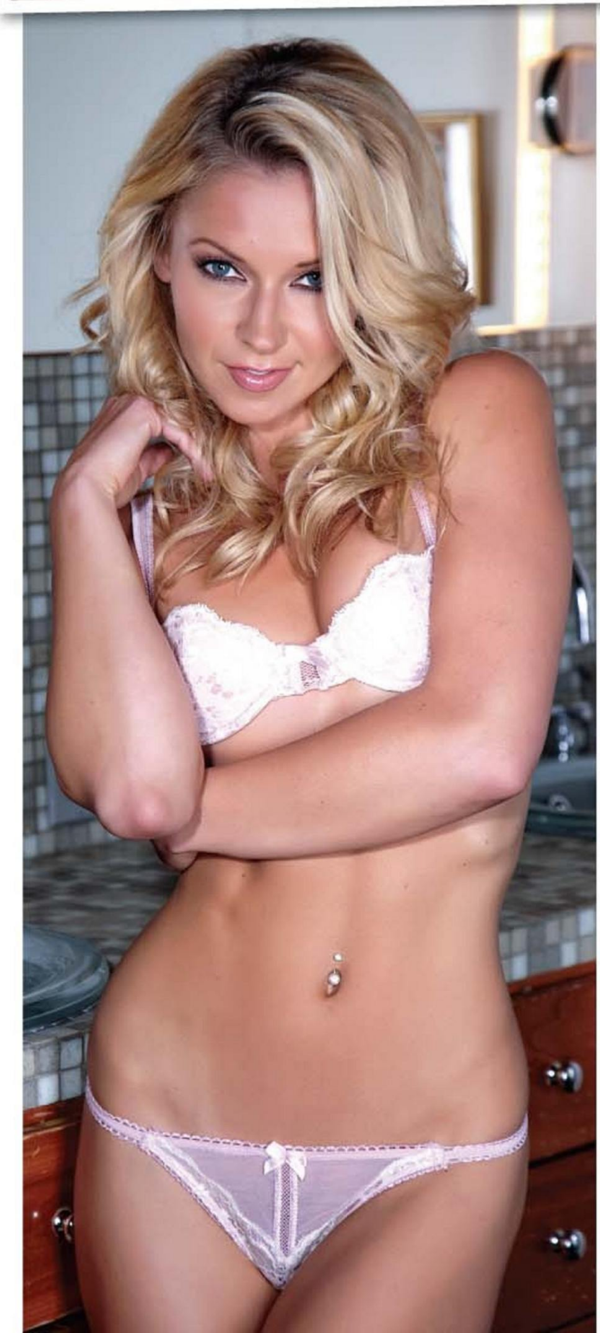
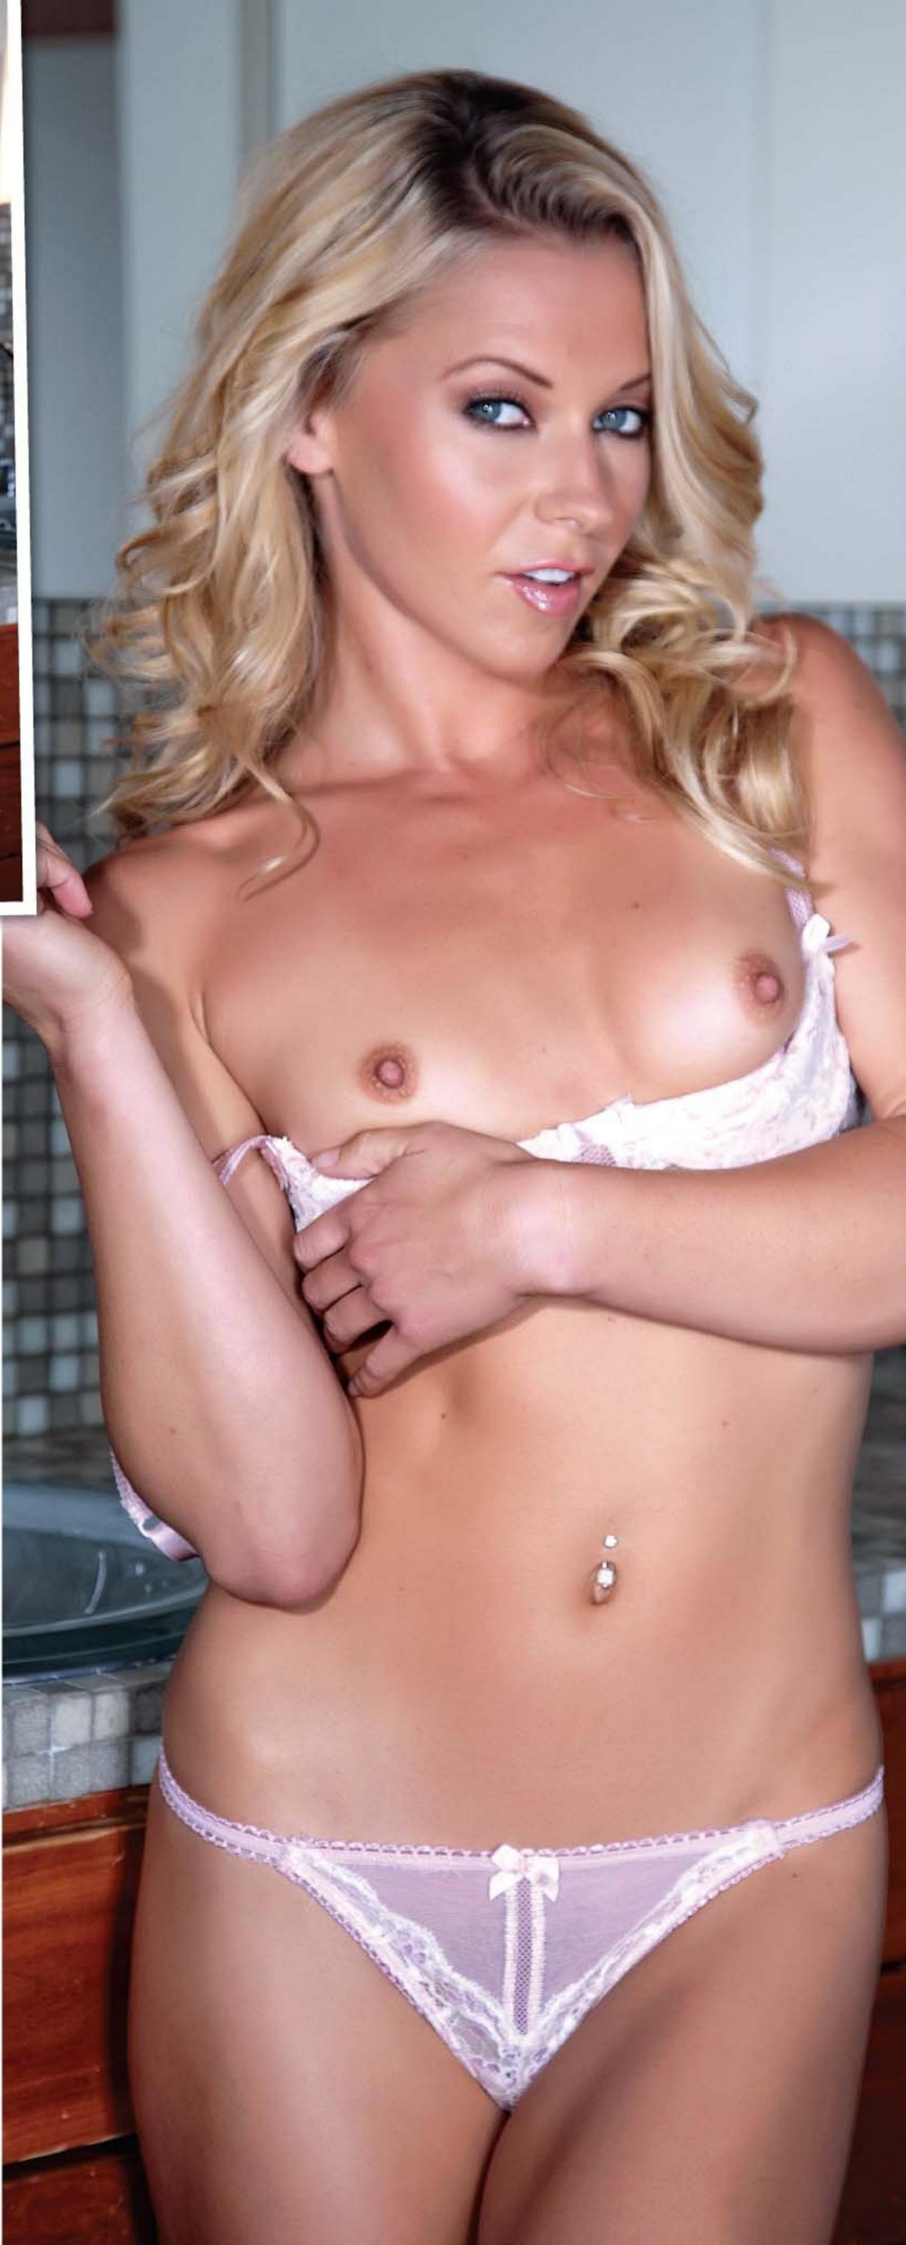
LENA ♣

Sink or quim...





Lena Nicole is 25, has been a glamour model for 3 years, and yet this is her first appearance in *Club*. What gives?

"I thought you guys didn't like me," she pouts.

Whaaaaaa? We've never even been sent a photo of you before. We're sacking all our talent scouts and fanny spotters with immediate effect. They're not fit for purpose.

"Well, I'm glad we got there in the end. I love *Club* and its girls, and not having it on my CV was something I couldn't bear.

You and us both, Lena... ♣

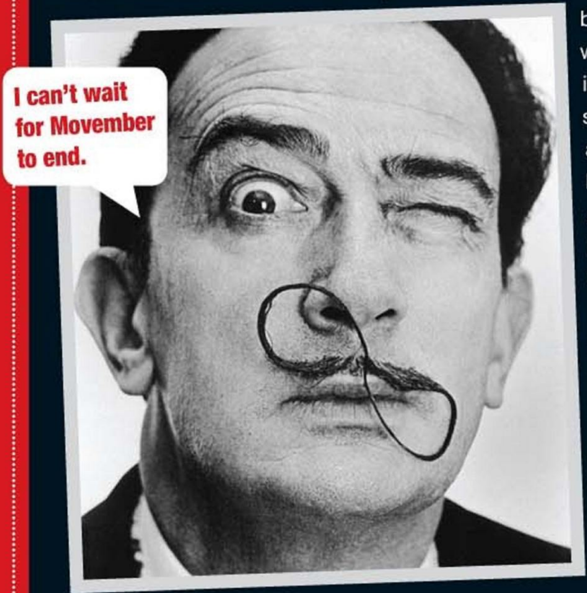
LENA

What our well-placed moles are telling us this month...

Down The Wire

Stealing Salvador

Phivos Istavrioglou wondered into the Upper East Side Gallery, New York and promptly trotted out again clutching a watercolour by the Surrealist painter Salvador Dali. After realising the enormity of what he had just done, the old cold feet set in and Istavrioglou then attempted to post the painting back, where it was later found inside a cardboard shipping tube at Kennedy International Airport. Fortunately, this incompetent thief left a fine set of fingerprints that led to detectives tracking him down. He definitely should have stuck to potato printing.



I can't wait for Movember to end.

Gagged-Lang Style

You could be forgiven for thinking a gagged and taped up man is an extracted still from the latest porn flick, but you would be incorrect. A passenger on a flight from Iceland to New York had to be restrained after an incident involving "a disruptive male passenger, who was hitting, screaming and spitting at other passengers while yelling profanities". He was taped and gagged by fellow passengers and members of the flight crew as he was considered to be a danger to himself as well as others. Officers were notified at the landing airport where the man was quickly arrested. That'll teach you to sit down and watch the in-flight movie!

Not available on Virgin Atlantic...

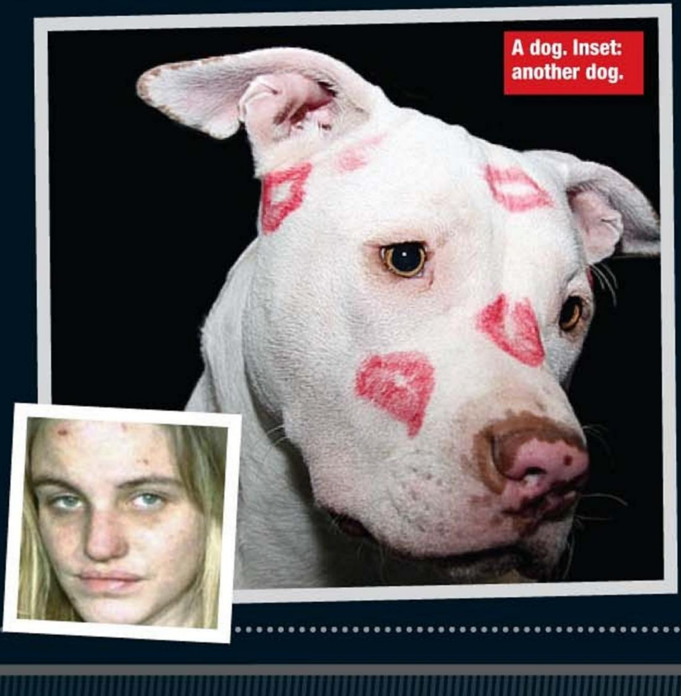
Garlic Gateway

The old tradition of smuggling seems to be striking out new horizons in this modern age. Not satisfied with drug ring syndicates, smugglers are turning to more unusual items that can produce lucrative returns. Swedish state prosecutors claim to have cracked one of the largest garlic smuggling rings. The two Britons arrested are said to have made millions by smuggling Chinese garlic out of Norway and into Sweden. The smuggling of garlic is advantageous due to a 9.6% tax imposed by the EU, making the neutral non-EU country of Norway the perfect trafficking zone for these culinary antics. You wouldn't want this lot breathing on you, that's for sure!

Some garlic, earlier today.

Heavy Petting

What happens in Vegas doesn't always stay in Vegas, especially if you do it in front of the neighbours. 23-year-old Kara Vandereyk was reportedly engaging in open lewdness with a pit bull and was found lying naked in her backyard by the Las Vegas Metropolitan Police, who arrested Vandereyk and took her to Clark County Jail. Vandereyk later told police she was bipolar and couldn't remember her name. In that case perhaps she had misplaced the poor mutt's Bonio! ♣



A dog. Inset: another dog.
